

APPLICATION FOR BOARD DIRECTOR OR BOARD COMMITTEE COMMUNITY REPRESENTATIVE

“To provide and promote hospice palliative care for individuals and their families.”

Hospice Wellington is a community based, professional, not-for-profit organization that seeks to fulfill this important mission to residents of Guelph and Wellington County. Since our 10-bed Residential Hospice opened in 2010, Hospice Wellington has provided support to palliative clients in our residence and to clients in their homes or through group and program support in our facility. Hospice Wellington continues to benefit from the support of many volunteers who offer a diverse range of skills and experience and a passion for palliative care.

As a registered charity, Hospice Wellington receives generous community donations as well as funding from Ontario Health. Our high standard of excellence requires ongoing investment for both qualified staff and meaningful programs. This standard of excellence was recognized in 2013 and 2018 when we received the national distinction of Imagine Canada accreditation.

Our Vision is to foster the integration of hospice care principles into all health care delivery systems and to provide leadership in the evolution of palliative and bereavement support in our community.

Our Board and Committees are accountable to our funders, the community, a range of interested partners, but most especially to the individuals who have need of our programs. Our success is measured by our ability to provide support, assistance, and relief to those who have a need. Success also results from our ability to forge and sustain new partnerships with individuals who share a similar interest to improve the lives of those facing life-threatening or terminal illness and their families, and with organizations that are committed to enhancing Guelph and Wellington County as compassionate communities.

Hospice Wellington is committed to advancing an inclusive, diverse, and equitable organization where everyone belongs. We welcome applications from all members of our community. Hospice Wellington’s statement on Diversity, Anti-Racism, and Anti-Oppression can be [found here](#).
